

# Losing crops in flooded areas? Too wet to plant?

## Enroll in a USDA Conservation Reserve Program today!!

### What is a Playa Lake?

Playa lakes, also known as lagoons or buffalo wallows, are naturally occurring depressions found in western Kansas that temporarily fill with water after rain and often flood crops.

### Why should I enroll my land?

- Receive an annual rental payment.
- Recharge Ogallala Aquifer.
- Restore and enhance water quality.
- Provide beneficial habitat for pheasant, waterfowl, and other wildlife.

For more information on playa lake programs, contact your local KDWP Landowner Incentive Program Biologist.
