Cedar Point - water/electric & primitive (400-440)

Hickory Hollow - full hookup (502-516)

Woodland Hills - water/electric & primitive (601-609, 611-624, 631-645, 647-688)

Walnut Grove - primitive (701-729)

Sites listed below are available for seasonal camping (with contract).

Rusty Windmill - full hookup (001-002)

Prairie View - water/electric (101-108)

Sunset Ridge - full hookup (300)

Hickory Hollow - full hookup (517-530)

Woodland Hills - water/electric (610, 625-630)

Off Season October 1 - March 31

- All sites are first come, first served November 1 through March 31..
 - Prime rates for campsites do not apply.
- All shower houses & restrooms will close prior to the first freeze of the season, except Woodland Hills.
- Vault toilets at both boat ramps will remain open. Fish cleaning stations will close.
- Eagle Ridge, Hickory Hollow, and Woodland Hills are open year round for camping with frost free hydrants. Be sure to insulate your hoses/hydrants after October 1.

General Park Regulations

1. A current motor vehicle permit is required for every motorized vehicle entering the state park.
2. Motor vehicles are restricted to maintained roads and parking areas only.
3. Unconventional vehicle permits can be acquired from state park offices for utility vehicles, golf carts, and other low speed vehicles approved by the park manager. Unconventional vehicles must abide by vehicle regulations including, but not limited to the operator having a valid driver's license, staying on roadways, occupants must be seated in manufacturers seating, and operated from sunrise to sunset only.
4. Camping is allowed only in designated areas and is subject to restrictions as posted. Campsites are for one camping unit; additional units may be added with an additional overnight fee with approval from the park manager. All campers and camping units are limited to a stay of not more than 14 consecutive days. Some parks offer "Seasonal Camping" programs that extend the stay limit.
5. Quiet hours are 11 p.m. to 6 a.m. Actions which alarm, anger, or disturb others are prohibited. Failure to comply may result in expulsion from the park.
6. Fires are allowed in fireplaces, fire rings, and cooking grills. No pallets. Fires must be completely extinguished prior to leaving the area.
7. Pets must be under direct supervision of owner and restrained on a leash no longer than 10 feet, or otherwise confined. They are not allowed on swimming beaches or swimming areas that are delineated by buoys or other markers or in public buildings or structures.
8. A special event permit is required for any event involving entrance fees, exclusive use of an area, sales, organized competition, amplified sound, use of temporary structures (does not include common camping gear or blinds), or reservation of a specific site or facility.
9. Fishing is prohibited on boat ramps, courtesy docks, swimming beaches, swimming areas marked with buoys, and around posted areas at marinas.
10. Digging holes, removing geological formations, archeological relics or ruins, or vegetation (except for noncommercial use of edible wild plants, wild fruits, nuts, or fungi) is prohibited.
11. No person may advertise or solicit sales.

This summary highlights only a portion of the current regulations. For a complete listing of the state park rules and regulations, contact the KDWPT at 620-672-5911 or visit www.ksoutdoors.com.

Blue Green Algae General Information

There are three types of advisories:

WATCH

Harmful algae is POSSIBLE AND MAY BE PRESENT

WARNING

Harmful algae is EXPECTED OR PRESENT

HAZARD

Harmful algae is PRESENT AND EXTREME CONDITIONS EXIST

KDHE samples public use lakes only in response to complaints of human or animal illness or visual sighting of possible blue-green algae by the public or lake officials. For KDHE to respond to a blue-green algae sighting, the request from the public must be made through the online Algae Bloom Reporting Form. Please visit <https://www.kdheks.gov/algae-illness/> for more information.
