

Basic Rules of Play

Object of the Game

Start from the tee box and throw to get the disc in the baskets. Finish the course with the lowest score (least amount of throws per round).

Order of Play

- 1) On the first hole, the scorecard determines the order of play.
- 2) All other throws are made by the player furthest from the basket.
- 3) On all other holes, driving order is determined by score. Player with the lowest score goes first, and so on.

Scoring

- 1) Record your score on the scorecard.
- 2) A player's score is the total of throws made for each hole plus any penalties.

Penalties

- 1) Moving an obstacle.
- 2) Falling putt.
- 3) Disc goes out of bounds. (the roads)
- 4) Disc comes to rest in a tree or off the ground more than 2 meters.
- 5) The disc is somewhere unsafe or unplayable.

The situations listed result in a one-stroke penalty. Add one throw to the player's score for that round.

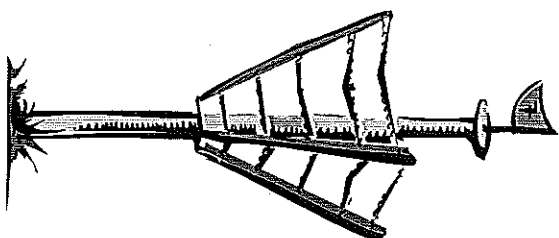

Remember This...

- 1) Never throw when you might possibly hit someone.
- 2) Do not tee off until the group of players in front of you has finished the hole and is moved off to their next tee.
- 3) Always observe the order of play. Person furthest from the basket throws first.
- 4) Don't walk in front of a person who is about to throw.
- 5) Ask before you cut to an open hole in front of another group.
- 6) Allow smaller groups to play through if the course is not crowded and you are playing slowly.
- 7) Call "Fore!" if you think your disc might be anywhere close to someone or if you lose sight of it.
- 8) Allow those ahead of you to drive before you walk in front of them.
- 9) Please place your trash in a trash receptacle.
- 10) Don't bring Frisbee dogs to the disc golf course.
