

You are Invited to a Discussion Forum Exploring

# Reservoir Health in Kansas

Thursday, February 9 ~ 6:00-8:00pm ~ Scanoli's, 306 Dogwood, Wakefield, KS

Please come for a light supper and participate in a discussion exploring the health and future of Kansas Reservoirs, with a local focus on Milford Lake. This is an opportunity for Milford Lake area communities to engage in facilitated community dialogue to:

- ~ Increase shared understanding of the issues impacting our reservoirs ~
- ~ Explore possible solutions and examine drawbacks to a variety of actions ~
- ~ Discover common ground for community decision making ~

*This event is free and open to the public ~ Reservations requested by February 1  
No prior experience or expertise with reservoir health required*

**Sponsored by:**

Kansas Association for Conservation & Environmental Education (KACEE)  
K-State Institute for Civic Discourse and Democracy  
Milford Watershed Restoration & Protection Strategy (WRAPS)  
Clay County Conservation District  
The Kettering Foundation

A light supper will be served  
Reservations Requested by February 1

Questions & Reservations:

## About the Environmental Issues Forums

EIF is modeled on the National Issues Forums  
<http://www.nifi.org/>  
a nonpartisan, nationwide network of locally  
sponsored public issues forums.

NIF and EIF are rooted in the simple notion that democracy requires an ongoing deliberative public dialogue. People need to come together to reason and talk —to deliberate about common problems.

Understand together. Decide together. Act together.

For more information about EIF, please visit  
<http://naaee.org/eif>.
