WIFA Area Rules

Walk-in Fishing Access (WIFA), formerly F.I.S.H., sites are leased from private landowners and are typically open to public fishing from March 1 – Oct. 31, though some properties are open year-round. The WIFA program provides anglers increased opportunities to enjoy fishing on the state’s streams and small impoundments, all that is required is a state fishing license. Funding for the program is provided through fishing license revenues and Sport Fish Restoration Funds. Please observe all rules and regulations, and remember that common sense and ethical behavior will influence the future of the program.

The following guidelines help maintain a good relationship between landowners and anglers:

1. Look for the WIFA signs (pictured below) before entering the property. Sites may have been withdrawn from the program. If you do not see signs, do not enter.

2. Obey lease boundaries. Stay within 50 feet of the stream or impoundment shoreline. If the WIFA property is a stream, fish only on the side of the stream that is posted as an access site. Do not walk or fish on adjacent property.

3. Respect the rights of landowners, as well as others using the area. Treat the land as if it were your own.

4. Take all trash with you when you leave. If someone before you has irresponsibly left trash, please take a moment and pick it up, too.

5. Do not open gates or enter properties with vehicles unless authorized. Park along the road or in designated parking areas. Leave field-access, drives, and rural roads open so that landowners moving large implements may pass.

6. Avoid stretching fences when crossing them, and use fence stiles where available.

7. Do not attempt to contact cooperating landowners to ask about fishing other portions of their land.

Regulations governing WIFA area use:

- Impounded WIFA waters have a creel limit of two channel catfish, a creel limit of two largemouth bass, and an 18-inch minimum length limit on largemouth bass. Otherwise, all Kansas fishing regulations and statewide creel limits apply. It’s especially important for anglers using the sites to respect and follow the rules that apply on WIFA properties. You do not need to contact the landowner for permission on WIFA waters.

- Seining is prohibited on all WIFA waters, and trotlines and setlines are prohibited on impoundments under 1,201 acres in size (KAR 115-8-6); No swimming (KAR 115-8-8); Camping by posted notice only (KAR 115-8-9); No pets, except on a leash (KAR 115-8-10); No horseback riding (KAR 115-8-11); No stocking or release of wildlife, including the dumping of live bait (KAR 115-8-12); Vehicles shall be operated only as authorized (KAR 115-8-13); No fireworks (KAR 115-8-14); No unauthorized fires (115-8-15); The discharge of firearms is prohibited (KAR 115-8-16); No littering (KAR 115-8-18); No cereal malt beverages or alcoholic liquor (KAR 115-8-19); Destructive acts such as digging or destroying signs or vegetation is prohibited (KAR 115-8-20).

- All Kansas boating laws are in effect on WIFA waters.

Due to unforeseen conditions and/or renovations, some properties may be dry, lower than normal or flooded. Water quality and vegetation may vary among properties.
Using the Fishing Atlas

The maps in this atlas show a variety of public fishing areas, as well as public lands across Kansas. WIFA areas are privately-owned ponds or streams the Kansas Department of Wildlife and Parks (KDWP) has leased and opened to public fishing. Each map also shows all federal reservoirs, state fishing lakes, river access sites, and community lakes. To find fishing areas near you, consult the legend below and then locate the corresponding access locations indicated on the maps.

The maps on the following page show which counties have federal, state, or community fishing opportunities, as well as those with WIFA sites. Community lakes are impoundments owned by a city or county government. Community lakes that are managed for public fishing through the department’s Community Fisheries Assistance Program (CFAP) and state fishing lakes are labeled with the impoundment name and marked by the blue fish symbol. There are no additional fees to fish at state fishing lakes or community lakes in the CFAP program. Community lakes not in the CFAP program are also labeled with the impoundment name and marked by a red octagon symbol as local governments managing these lakes may require a permit and/or additional fees for fishing access.

Most WIFA areas are open to fishing from March 1 to Oct. 31, but some are open year-round, see legend. Accessing the WIFA properties prior to or after the indicated access period is prohibited.

Maps are at a scale of 1:277,500 (1 inch represents 4.38 miles) and were compiled according to conventional cartographic standards using the most reliable information available. KDWP does not guarantee freedom from errors or inaccuracies and disclaims any legal responsibility or liability for interpretations made from these maps, or decisions based thereon.

This atlas is a continual work in progress and any comments, suggestions, or corrections are welcomed. Any such comments may be submitted to kdwp.kdwptinfo@ks.gov.
Fishing Reports

Fishing reports are available on ksoutdoors.com and provide information regarding seasonal fishing trends on your favorite lakes and reservoirs. On ksoutdoors.com, anglers can also access Google Earth files showing the locations of fish attractors, like the “Fish Cubes” shown here at Wilson Reservoir.

Fishing Forecast

The 2022 Kansas Fishing Forecast highlights Kansas’ top fishing spots. Download an electronic copy from ksoutdoors.com, or grab a printed copy from most license vendors. Anglers can also view the forecast in the 2022 March/April issue of Kansas Wildlife & Parks Magazine, which can be purchased by calling (620) 672-0756.

Become a Certified Angler Instructor

If you have a passion for the outdoors and enjoy sharing your knowledge with others, this program is for you. The Angler Education Program is designed to recruit individuals who have a passion for fishing and want to share it with others. The Kansas Department of Wildlife and Parks (KDWP) has partnered with Fishing’s Future, a not-for-profit group with a mission to reconnect kids with nature, strengthen family bonds, and instill a responsibility for stewardship of our natural resources.

Similar to KDWP’s Hunter Education Program, Angler Education will certify volunteer instructors to teach everything from class design and working with children, to environmental stewardship, knot tying, fish identification, and casting.

Certified instructors may work alone or with other instructors to teach general fishing information, specific fishing techniques, or just take families fishing.

Visit fishingsfuture.org for details.
Reservoirs, State Fishing Lakes & Other Waters

REGION 1 (WEST)
Barber SFL (55 F10), 77 acres, Upper End Periodically Dry
Cedar Bluff Reservoir (28 B11), 6,869 acres, ANS Alert
Clark SFL (52 D11), 300 acres
Concannon SFL (39 C3), 50 acres

John Redmond Reservoir (34 J12), 9,400 acres, ANS Alert
La Cygne Reservoir (36 G11), 2,600 acres
Leavenworth SFL (23 E6), 160 acres
Lyon SFL (34 E10), 135 acres, ANS Alert
Marais des Cygnes Wildlife Area (36 I10), 1,967 acres
Melvern Reservoir (34 F12; 35 E1), 7,000 acres, ANS Alert
Melvern River Pond (35 E1), 90 acres, ANS Alert
Miami SFL (36 F10), 101 acres
Middle Creek SFL (36 E11), 280 acres
Milford Reservoir (21 E1), 16,020 acres, ANS Alert
Milford Hatchery Supply Pond (21 G1), 100 acres
Woodson SFL (46 G12), 180 acres

REGION 3 (SOUTHEAST)
Big Hill Reservoir (59 E4), 1,240 acres
Big Hill WA North Lake (59 E4), 14 acres
Big Hill WA South Lake (59 E4), 5 acres
Black Kettle SFL (32 J8), 8 acres
Bourbon SFL (48 F7), 103 acres
Butler SFL (57 A4), 124 acres
Chase SFL (33 H4), 109 acres, ANS Alert
Cheney Reservoir (43 H5), 9,550 acres, ANS Alert
Cowley SFL (57 I3), 84 acres
Crawford SFL (48 I10), 150 acres
El Dorado Reservoir (45 F3), 8,000 acres, ANS Alert
Elk City Reservoir (59 F1), 4,450 acres
Fall River Reservoir (46 I10), 2,500 acres
Kingman SFL (43 J1), 144 acres
Marion Reservoir (32 H12), 6,160 acres, ANS Alert
McPherson SFL (32 F8), 46 acres
Mined Land Wildlife Area (60 E9), 1,500 acres, Multiple Locations
Montgomery SFL (59 G1), 105 acres
Neosho SFL (59 C6), 92 acres
Neosho Wildlife Area (60 A7), 800 acres
Riverton - Empire Lake (60 H11), 800 acres
Toronto Reservoir (46 G11), 2,800 acres
Wilson SFL (47 H1), 110 acres
Woodson SFL (46 G12), 180 acres

Aquatic Nuisance Species (ANS) ALERTS: Aquatic nuisance species (ANS) pose a threat to native aquatic wildlife and plants. ANS species include the zebra mussel, New Zealand mud snail, Asian carp, white perch, purple loosestrife, saltcedar, fertile grass carp, and Eurasian watermilfoil. The areas listed above may have a red “ANS Alert” if ANS have been found there. Please consult a current Kansas Fishing Regulations Summary for more information about ANS and how to prevent their spread.
COMMUNITY FISHERIES ASSISTANCE PROGRAM

The Kansas Department of Wildlife and Parks (KDWP) has continued the Community Fisheries Assistance Program (CFAP) for 2022. CFAP leases the fishing rights of approximately 13,000 acres of community lakes statewide.

Community cooperators will not charge anglers additional fees to fish from the shore or from a boat, even if permits have been required in the past. State fishing license requirements still apply, and activities other than fishing at these lakes may require additional permits. KDWP hopes removing cost barriers will allow more anglers to enjoy these fishing opportunities more often. When you see the CFAP logo at your local community lake, take a friend, head on in, and wet your lines!

Family Friendly Facility (FFF): While all Community Fisheries Assistance Program (CFAP) lakes are great places to go fishing, some offer extra amenities to support family fishing trips. At these locations, no alcohol is allowed, there are flush toilets, security patrols are conducted regularly, security lighting is in place, and there are easily accessible fishing spots. Any CFAP lake that provides these amenities is termed a “Family Friendly Facility” (FFF) and is indicated as such in the list of CFAP lakes.

NO ADDITIONAL FISHING FEES are charged at the following community lakes:

REGION 1 (WEST)
Agra City Lake (5 E5), 7 acres, FFF
Atwood Lake (2 E11), 31 acres
Belleville - Rocky Pond (8 D7), 27 acres, FFF, Periodically Dry
Beymer Sand Pits (38 E9), 18 acres
Cimarron Grasslands Fishing Pits (49 H3), 15 acres
Colby - Villa High Lake (14 B11), 2 acres
Coldwater City Lake (53 F2), 250 acres
Dodge City - Lake Charles (40 H8), 1 acre
Dodge City - Mariah Hills Pond (40 H8), 2 acres
Dodge City - High School Demon Lake (40 H8), 1.5 acres
Ellis City Lake (17 I1), 30 acres, FFF
Finney Co. - Wildwood Park (38 E12) 2 ponds, 10 acres each
Graham Co. - Antelope Lake (16 B8), 80 acres
Great Bend - Stone Park Lake (30 I8), 50 acres
Great Bend - Vets Park Lake (30 H8), 13 acres, FFF
Hays - Vineyard Park Pond (17 J3), 0.5 acres
Horse Thief Reservoir (40 C8), 450 acres
Inman - County Park Pond (31 J5), 1 acre
Jetmore City Lake (40 C9), 106 acres, Periodically Dry
Jewell - Emerson Lake (7 G1), 10 acres
La Crosse - Warren Stone Lake (29 E3), 30 acres, Periodically Dry
Larned City Pond (41 A5), 2 acres
Lenora City Lake (59 C1), 38 acres, Periodically Dry
Liberal - Arkalon Recreation Area (51 H1), 5 acres
Lincoln Co. - McReynolds Park (19 H2), River Access
Logan City Lake (4 H12), 25 acres
Moundridge Park Pond (44 A8), 2 acres
Plainville Township Lake (17 D3), 144 acres
Pratt County Lake (42 J9), 51 acres
Salina - Indian Rock Pond (32 A7), 2 acres, Periodically Dry
Salina - Lakewood Lake (20 J7), 6 acres, FFF
Sherman - Smoky Gardens (13 D4), 11 acres, Periodically Dry
St. Francis - Keller Lake (1 E3), 3 acres
Syracuse - Sam's Pond (37 D3), 50 acres
Ulysses City Lake (50, A8)

REGION 2 (NORTHEAST)
Alma City Lake (22 H8), 80 acres
Atchison City Lake 23 - Warnock Lake (11 I5), 39 acres, FFF
Atchison City Lakes 1-4, 6-9, 24 (11 H5), 51 acres
Atchison Co. Lake (11 G2), 60 acres
Baldwin - Spring Creek Lake (35 A6), 7 acres
Blue Mound City Lake (48 A7), 19 acres
Bonner Springs - North Park Lake (24 F8; B1 G4), 3 acres
Carbondale - East Lake (23 J1), 265 acres
Centralia City Lake (10 F8), 400 acres
Coffey Co. Lake (35 J1), 5,090 acres, ANS Alert
Douglas Co. - Lone Star Lake (23 J3), 195 acres
Doniphan County - Troy 4-H Lake (11 E6), 5 acres
Edgerton - Bridgewater Lake (36 A7), 2.5 acres
Edgerton City Lake (36 A7), 5.2 acres
Emporia - Jones Park Ponds (34 G8), 3 acres
Emporia - Peter Pan Park Ponds (34 G8), 3 acres
Fort Riley Ponds (21 G2)
Gardner City Lake (24 I8; B3 I3), 100 acres
Garnett - Cedar Valley Res. (35 I4), 350 acres
Garnett - Crystal Lake (35 I5), 25 acres, FFF
Garnett City Lake North (35 H5), 55 acres, FFF
Gridley City Lake (46 B12), 33 acres
Herington - Fr. Padilla Pond (33 C1), 2 acres
Herington City Lake - New (33 C1), 555 acres
Herington City Lake - Old (33 C1), 367 acres
Hiawatha City Lake (11 D2), 7 acres
Holton - Elkhorn Lake (10 J12), 4 acres
Holton - Prairie Lake (11 J1), 78 acres, FFF
Horton - Little Lake (11 G2), 10 acres
Horton - Mission Lake (11 F2), 125 acres
Jackson Co. Banner Creek Reservoir (10 J12), 535 acres, FFF
Jackson Heights High School Pond (10 I12), 1 acre
Junction City - Bluffs (21 H2), 5 acres
Junction City - Homer's Pond (21 H2), 5 acres
Junction City Wetland Park and Riverwalk Ponds (21 H2), 9 acres

- Wichita - South Lake (56 A10; C3 F6), 17 acres, FFF, Under Renovation
- Wichita - Watson Park Lake (44 J10; C4 C7), 42 acres, FFF
- Winfield - Island Park Lake (57 F1), 7 acres
- Yates Center - South (Owl) (47 F1), 250 acres
- Yates Center City Lake (46 F12), 200 acres

ADDITIONAL FISHING FEES ARE CHARGED at the following lakes:

Greenbush Community Lake (60, A8), 5 acres
Harvey Co. - East Park Lake (44 C11), 254 acres, FFF
Harvey Co. - West Park Lake (44 C7), 15 acres, FFF
Harvey Co. - Camp Hawk (44 D10), 2 acres, FFF
Haysville - Dornier Park Lake (56 A10, C4 G7) 9 acres
Haysville - Riggs Lake (56 A10; C3 G6), 1 acre, FFF
Howard - Polk Daniels Lake (58 B8), 69 acres
Humboldt - Franklin Street Park Pond (47 G4), 1.5 acres
Hutchinson - Carey Park Pond (43 D4), 5 acres, FFF, ANS Alert
Hutchinson - Carey Park Lagoon (43 D4), 1 acre, FFF, ANS Alert
Hutchinson - Dillon Nature Center (43 C4), 3 acres, FFF
Hutchinson - North Pond (43 C4), 2 acres
Hutchinson - River Access Park (43 L3) River Access
Iola - Cedarbrook Ponds (47 D4), 3 acres
Kechi Lake (44 G10; C2 D9), 1 acre
Kingman - Hoover Pond (43 J2), 1 acre, ANS Alert
Madison City Lake (46 B9), 114 acres
Marion - Central Park - (33, H1), 2 acres
Marion County Lake (33 I1), 153 acres, FFF
McPherson - Lakeside Park - (32, H7), 5 acres, FFF
Moline New City Lake (58 C8), 185 acres
Moline Old City Lake (South) (58 D7), 65 acres
Mt. Hope - Woodland Park Pond (44 F7), 2 acres
Mulberry Park Lake (48 J12), 3 acres
Mulvane - Cedar Brook Pond (56 B11), 1 acre
Neodesha City Pond (59 C1) 2 acres
Newton - Sand Creek (44 C10), 20 acres
Newton - Spring Lake Ponds (44 D10), 7 acres, FFF
North Newton - Sunfield Pond (44 C10), 2 acres, FFF
Park City - Chisholm Pointe LK (44 G10; C2 D8), 3 acres, FFF
Parsons - Tolen Creek Pd (59 D6), 5 acres, See local regulations
Parsons - West Pond (59 D5), 1 acre, See local regulations
Parsons City Lake (59 C5), 980 acres
Pittsburg - University Lake (60 C11), 2 acres
Pittsburg - Lakeside (60 C11), 4 acres
Pittsburg - Lincoln Park Lake (60 B11), 1 acre
Pittsburg - Wilderness Park Ponds (60 B11), 3 acres
Rose Hill School Street Pond (56 A12), 9 acres
Sedan New City Lake (South) (58 G9), 70 acres
Sedan Old City Lake (North) (58 G9), 55 acres

Severy City Lake (46 J9), 10 acres
Sterling City Lake (43 A1), 10 acres, FFF
Thayer City Lake (59 B3), 30 acres
Thayer City Lake - New (59 B3), 45 acres
Uniontown School Pond (48 E8), 2 acres
Valley Center - Arrowhead Park Lake (44 G9; C1 B5), 5.4 acres
Valley Center - McLaughlin Pond (44 G9; C1 B6), 3 acres
Wichita - Hargis Creek Lake (56 F10), 65 acres
Wichita City Lake (56 G8), 674 acres, FFF
Wichita - KDOT East Lake (44 H10; C2 F7), 7 acres
Wichita - KDOT West Lake (44 H10; C2 F7), 10 acres, ANS Alert
Wichita - Sedgwick Co. Park Lakes (44 I9; C1 H4), 63 acres, FFF, ANS Alert
Wichita - South Lake (56 A10; C3 F6), 17 acres, ANS Alert
Wichita - Watson Park Lake (44 J10; C4 C7), 42 acres, FFF
Windom City Lake (31 H4), 1 acre
Winfield - Island Park Lake (57 F1), 7 acres
Yates Center - South (Owl) (47 F1), 250 acres
Yates Center City Lake (46 F12), 200 acres
Zebra Mussel

- Zebra mussels are found in some Kansas lakes, impoundments and streams. An ANS-Alert listing throughout this publication identifies locations known to contain asian carp, white perch, and/or zebra mussels. Fish may not be transported live from these waters. A more complete listing of affected waters can be found in the current fishing regulations summary.
- They filter vast quantities of water, which alters the entire food web within a waterbody. Although this filtering action may clear up the water in some instances, the clear water will often lead to algae blooms that are harmful to people. The clear water can also allow UV rays to damage fish eggs.
- They can reach high densities, causing problems to water intakes, docks, and boat motors. Nationwide expenditures to control zebra mussels in industrial plants alone are estimated at $310 million per year.
- They have sharp shells that can cut the unprotected skin of humans or pets. Shoes or other protective clothing are recommended when wading in zebra mussel infested water.
- All aquatic users need to do their part to prevent the spread of zebra mussels to other waters in Kansas. Follow control recommendations and tell others how to prevent the spread of zebra mussels.

White Perch

- White perch are found in some Kansas lakes, impoundments and streams. An ANS-Alert listing throughout this publication identifies locations known to contain asian carp, white perch, and/or zebra mussels. Fish may not be transported live from these waters. A more complete listing of affected waters can be found in the current fishing regulations summary.
- White perch have been associated with declines in both walleye and white bass populations.
- They out-compete native fishes for food and space.
- They hybridize with white bass.
- KDWP has added white perch to the prohibited species list. The possession of live white perch is prohibited. Dead white perch may still be possessed or used as bait on the waters where they were taken.
- Spiny and soft dorsal fins are connected; both fins pop-up when spiny dorsal manually erected.

IT IS AGAINST STATE AND FEDERAL LAW TO RELEASE ANY EXOTIC SPECIES IN KANSAS WATERS.
Aquatic Nuisance Species (ANS)

Waters containing asian carp, white perch, and/or zebra mussels are classified as ANS designated waters. Anglers fishing ANS designated waters may not leave those waters with any live fish. ANS designated waters are listed below. New waters may be included whenever asian carp, white perch, and/or zebra mussels are discovered. ANS designated waters will be posted with the sign illustrated to the right.

ANS Waters

and is classified as a designated Aquatic Nuisance Species (ANS) water. It is illegal to possess or transport this species alive (KAN 115-18-16) or transport live fish, including baitfish, away from this water body (KAN 115-24-0).

CLEAN • DRAIN • DRY

Before Leaving:
- Ensure that all equipment and vehicles are free of aquatic plants, debris and any organisms,
- Drain all water from equipment, including engines, before leaving designated waters,
- Clean all materials and equipment to remove all plant, debris and organisms. 

Before Resuming at Another Waterbody:
- Drain all water from equipment, including engines, before leaving designated waters,
- Clean all materials and equipment to remove all plant, debris and organisms.

Wild-caught Bait

Live baitfish, crayfish, leeches, amphibians, and mussels may be caught and used as live bait only within the common drainage where caught. However, bluegill and green sunfish collected from non-designated aquatic nuisance waters may be possessed or used as live bait anywhere. Live baitfish shall not be transported and used above any upstream dam or barrier that prohibits the normal passage of fish. Live baitfish collected from designated aquatic nuisance waters shall be possessed or used as live bait only while on that water and shall not be transported from the water alive.
Earn extra dollars from your farm/ranch with the Walk-In Fishing Access (WIFA) program and the Walk-In Hunting Access (WIHA) program. Wildlife and Parks will be leasing ponds and river/creek access for anglers.

Wildlife and Parks will be leasing CRP, standing cover crop, milo stubble, field borders, and river/creek habitat for this coming fall hunting season and next spring’s turkey hunting season.

WIFA/WIHA Application

I am interested in enrolling my property in the WIFA/WIHA programs. Send me more information.

HuntFish KS Mobile App

Now you can purchase and store your Kansas hunting and fishing licenses from any mobile device!

Available for Android and Apple/iOS devices. See device app store for details.

Interactive Mapping

Access searchable maps highlighting Kansas' public fishing access locations from ksoutdoors.com. Click on individual tracts and points to display location information, zoom to areas by city or county name, and choose from various base map options.

Online Atlas

Download an electronic version of the Kansas Fishing Atlas at ksoutdoors.com.

Printed Atlas

Printed copies of the Kansas Fishing Atlas are available at most license vendors. See ksoutdoors.com to find a vendor nearest you.

Enroll Your Land

Earn extra dollars from your farm/ranch with the Walk-In Fishing Access (WIFA) program and the Walk-In Hunting Access (WIHA) program. Wildlife and Parks will be leasing ponds and river/creek access for anglers. Wildlife and Parks will be leasing CRP, standing cover crop, milo stubble, field borders, and river/creek habitat for this coming fall hunting season and next spring’s turkey hunting season.

Highlights of the program:

- KDWP pays you to allow hunting or fishing access on your land.
- KDWP will post signs to inform users of property boundaries.
- KDWP natural resource officers periodically patrol the land.
- Access by foot only. No vehicles allowed.
- State law limits normal liability.
- An atlas is printed showing all properties enrolled.
Game Wardens

Anyone who finds evidence of wildlife crime while afield should contact their local game warden. Details of the crime and any other information, such as license tag numbers, dates, and times, should be noted. Local game wardens can be contacted through county sheriffs' offices, by phoning the KDWP's Operation Game Thief, 1-877-426-3843, or by phoning one of the numbers listed below, for the county in which the crime was witnessed.

Please do not use these numbers for general information calls. General information may be obtained from ksoutdoors.com, by phoning the department's Public Affairs Section at (620) 672-5911 or by calling the local offices listed in this publication.

If you're an active outdoorsman or woman, or just concerned about conservation in your area, get to know your local game warden. They protect the resource in your area. The following list of game warden numbers and the counties for which they are responsible are provided to help concerned citizens curb wildlife crime in Kansas:
