

## **ECONOMIC IMPACT STATEMENT**

**K.A.R. 115-25-21.** Snipe, rail, and woodcock; management unit, hunting season, shooting hours, and bag and possession limits.

**DESCRIPTION:** This new exempt regulation establishes requirements for hunting snipe, rail, and woodcock. The proposed regulation would change the process from setting seasons by adoption of federal frameworks by the KDWP Commission to setting seasons by regulation. The proposed seasons, management unit, shooting hours, and bag and possession limits are the same as authorized by the Commission for at least the past 10 years.

**FEDERAL MANDATES:** None.

**ECONOMIC IMPACT:** The proposed amendments are not anticipated to have any appreciable economic impact on the department, other agencies, or the public.

**ALTERNATIVES CONSIDERED:** Other than to not adopt the proposed amendments, no other alternatives were considered.
