

# Trout Season

**November 1 – April 15**

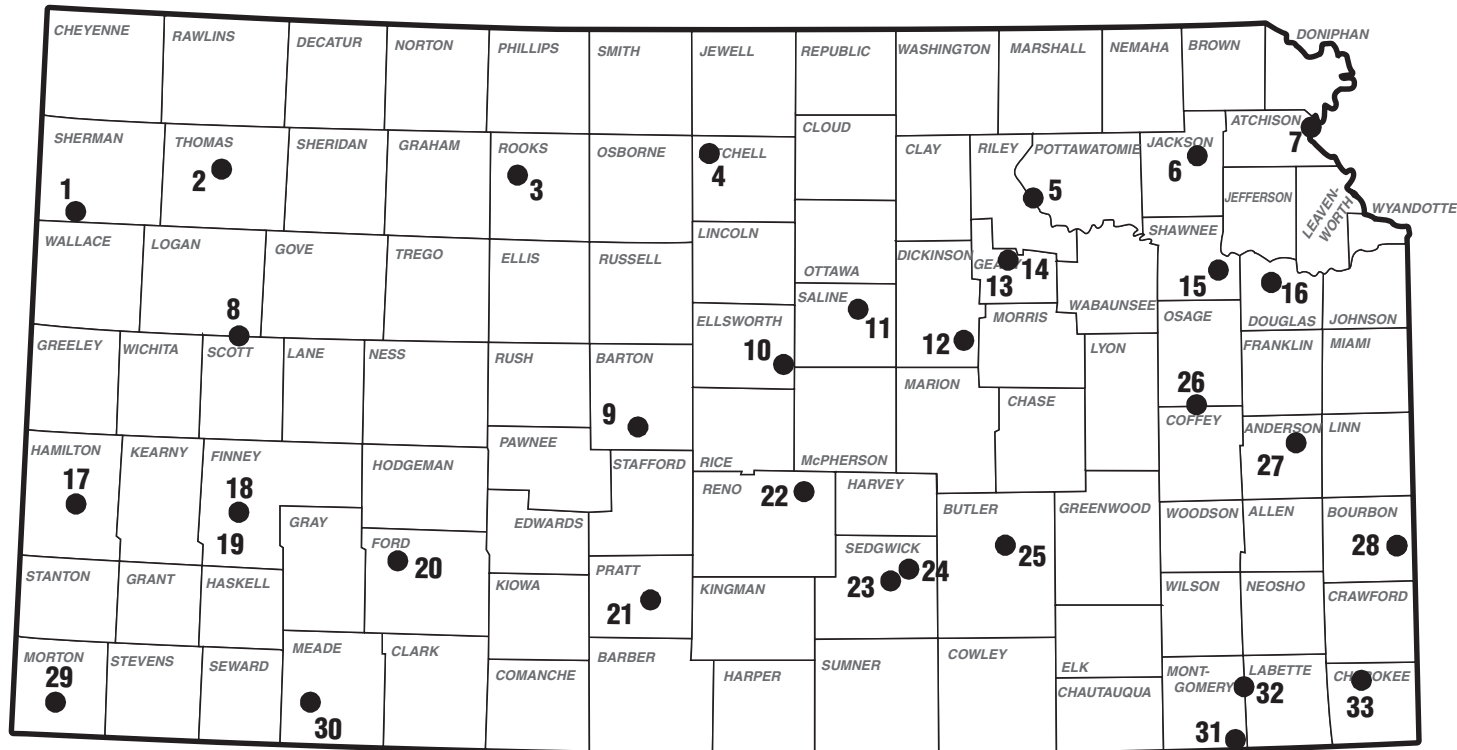

The Kansas Department of Wildlife and Parks stocks rainbow trout in select waters throughout the state for winter fishing opportunities. There are two types of trout waters listed below: on Type 1, anyone fishing on these waters during the trout season must have a trout stamp, \$14.50, which is valid for a calendar year. On Type 2 waters, where other winter fishing opportunities are available, anyone fishing for or harvesting trout must have a trout stamp. Youth 15 and under must have a Youth Trout Permit (\$7.00). All residents age 16-74 and all nonresidents 16 and older must have a current fishing license in addition to their trout stamp. Trout stamps may be purchased wherever licenses are sold or online at [www.ksoutdoors.com](http://www.ksoutdoors.com).
