

Trout Season

November 1 – April 15

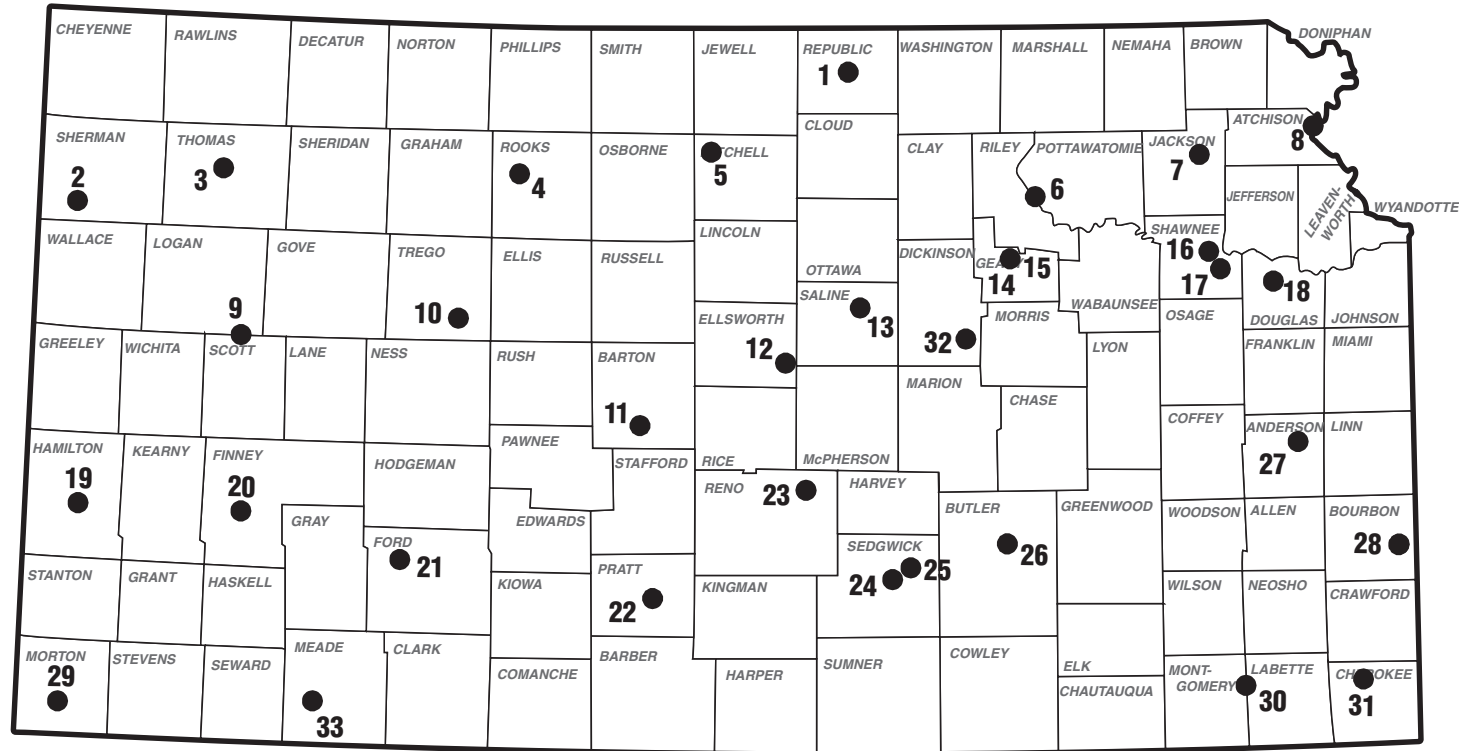

The Kansas Department of Wildlife, Parks and Tourism stocks rainbow trout in select waters throughout the state for winter fishing opportunities. There are two types of trout waters listed below: on Type 1, anyone fishing on these waters during the trout season must have a trout stamp, \$14.50, which is valid for a calendar year. On Type 2 waters, where other winter fishing opportunities are available, anyone fishing for or harvesting trout must have a trout stamp. Youth under 16 no longer need a trout stamp. All residents age 16-74 and all nonresidents 16 and older must have a current fishing license in addition to their trout stamp. Trout stamps may be purchased wherever licenses are sold or online at www.ksoutdoors.com.

Daily Creel Limit is 5 trout
(check locally for special creel or equipment restrictions)
The daily creel limit for anglers under 16
who do not purchase a trout permit is 2 per day.

A trout stamp is required year-round at
Mined Land Wildlife Area Unit #30
