The apprentice license is valid for 365 days from the date of purchase, and the holder must be under the direct supervision of a licensed adult 18 or older. Hunter education is not required while hunting one's own land.

Otherwise, anyone born on or after July 1, 1957, must have hunter education. Anyone under 27 years old must carry a Kansas or other state-approved hunter education card while hunting in Kansas. Youth must be 11 years old to be certified by Kansas Hunter Education. Youth 12 and older who have completed hunter education may hunt without adult supervision.

Duplicate certificates may be purchased for \$2.50 at department offices, online at ksoutdoors.com, or by calling (620) 672-5911.

TAGGING AND POST-HARVEST INFORMATION

Sign permit prior to hunting. Permit is not valid until signed.

After harvesting animal, sign, date, and affix carcass tag to animal in a visible manner. Carcass tag must be attached before moving carcass from harvest site.

Permits purchased through the internet include a carcass tag that is printed with the permit. To protect non-waterproof tags, place carcass tag in a clear plastic bag and attach it to the leg of the animal in a visible manner.

Carcass tag must remain attached to the carcass until processed for consumption. The permittee must retain the carcass tag until the carcass is consumed, given to another, or otherwise disposed of.

Report Marked or Tagged Wildlife

Contact KDWPT as soon as you find or harvest any wildlife that has been marked with a collar, ear tag, or leg band. The location, date, and animal number will be useful. Wildlife scientists may ask to examine the animal and collect additional samples.
