GENERAL INFORMATION

Most elk in Kansas are found on the Fort Riley Military Reservation. A free-ranging herd of wild elk on the 100,000-acre reservation provides limited hunting opportunities, allocated by a lottery drawing. Permits issued through the drawing are divided between military personnel stationed on the fort and Kansas general residents, and those permits are valid statewide, except for Morton County. Both military elk and antlerless-only permits are allocated. The state is divided into three elk hunting units. Unit 1 is an area of Morton County where no elk hunting is currently allowed. Unit 2 is an area around Fort Riley, including parts of Clay, Dickinson, Riley and Geary counties. Unit 2A is the Fort Riley reservation. Unit 3 is the remaining part of the state.

Applicants for the limited permits due the second Friday in June (June 9, 2023), and must be made online. Applicants without internet access may call (620) 672-0728. Once a hunter receives an Either-sex Elk permit in the drawing, he or she is not eligible to apply again. A hunter who receives an Antlerless-only Elk permit in the drawing is not eligible to apply for another permit for a five-year period. Unsuccessful applicants will receive a bonus point to increase their odds of drawing limited permits in subsequent drawings.

Wild elk do exist on private lands in other areas of the state, although they are rare and difficult to locate. Since 2010, unlimited resident and landowner/tenant elk permits have been available over the counter to allow landowners the opportunity to maintain elk at desired numbers on their property.

LICENSE REQUIREMENTS

Elk permits are available to Kansas residents, landowners, and tenants only. All individuals, regardless of land ownership or age, must have in possession a valid Kansas permit and carcass tag to hunt elk. In addition to the permit, a valid Kansas hunting license is required, unless exempt by Kansas law, a hunting license is not required while hunting on Kansas land you own or operate for agricultural purposes. A Kansas hunting license may be purchased online at GoOutdoorsKansas.com or at license vendors, and is valid one year from the date of purchase.

HUNTER EDUCATION

Anyone born on or after July 1, 1957, must have hunter education. Anyone under 27 years old must carry a Kansas or other state approved hunter education card while hunting. In Kansas, you must be 11 years old to be certified and may not hunt without adult supervision until age 12.

Hunters must carry a youth 15 and younger who may hunt without hunter education if directly supervised by an adult 18 or older. Anyone 16 or older may purchase two deferrals of hunter education, called hunter education if directly supervised by an adult 18 or older. Anyone born on or after July 1, 1957, must have hunter education.

POST-HARVEST INSTRUCTIONS

At the time of purchase, hunters will have the option of paper carcass tags or mobile/E-tag.

PAPER TAGS: Sign PERMIT prior to hunting to validate it. After an animal is harvested, the CARCASS TAG must be signed, dated and attached to the animal in a visible manner before the carcass is moved from the harvest site.

Paper permits and tags purchased through the internet must be printed on a desktop printer at the time of purchase. To prevent non-waterproof paper tag, cut it from the permit, place in a clear plastic bag and attach it to the animal with a zip tie or other secure manner.

The carcass tag must remain attached to the animal who receives an Antlerless-only Elk permit in the drawing until it is consumed, given to another or otherwise disposed of.

Hunters using paper tags can complete a voluntary harvest report of turkey or big game animal if they wish to be “boned-out” in the field.

Go to: ksoutdoors.com/harvest-reporting and follow the online instructions on how to complete the harvest report for your animal.

MOBILE/E-TAGS: Hunters who choose e-tags at time of purchase will keep permit and tags on their mobile device through the GoOutdoorsKS mobile app. After harvest, open the “GoOutdoorsKS” mobile app and follow the instructions on the app for the e-tag appropriate for the species/sex of harvest. Enter hunter confirmation number will work the same as harvest reporting for a hunter wanting to be “boned-out” in the field.

SURVEYS: Hunters may be asked to complete online HARVEST SURVEYS at the end of the season. Information received helps biologists make decisions to manage a healthy game population. A random sample of hunters will be contacted, making it important to update your address information each year when purchasing your permit/tags. Hunters surveyed will receive an email or a postcard with a link to direct them to an online survey. Questions about this survey or assistance in completing surveys may be obtained through the KDWPF Research and Survey Office, (620) 342-0608. State law (K.S.A. 22-3073) requires hunters receiving a harvest report card to complete the survey.

$152.50

This publication is a summary of elk hunting regulations. The complete laws and regulations on which this summary is based are available online at ksoutdoors.com/regulations.
PERMIT CLASSES

RESIDENT

A resident is defined as a person who has maintained permanent abode in the state for 60 days prior to purchase. Domiciliary intent is required, evidence of which may include where a person votes, pays personal income taxes, or obtains a driver’s license. Members of the armed services on active duty who were Kansas residents at the time of entering the service, and immediate family members living with them, are considered residents regardless of duty station. Members of the armed services on active duty and officially stationed in Kansas may purchase resident licenses and permits, except for lifetime licenses. Any holder of a Kansas lifetime hunting license who has moved from the state may apply for permits as a resident. Any person who is a registered full-time student in residence at a public or private secondary, post-secondary, or vocational school located in Kansas may purchase resident licenses and permits, except lifetime licenses. While hunting, the student must carry evidence of being a full-time student residing in Kansas.

LANDOWNER/TENANT

A landowner is any resident who owns 80 acres or more of Kansas farm or ranch land. When applying for a landowner/tenant permit, land owned must be in the unit applying for. A tenant is any resident or nonresident who is actively engaged in the agricultural operation of 80 acres or more of Kansas farm or ranch land for the purpose of producing agricultural commodities or livestock and (A) has a substantial financial investment in the production of agricultural commodities or livestock and (B) is a bona fide manager having an overall responsibility to direct, supervise and conduct such agricultural operation and have the potential to realize substantial benefit from such production in the form of salary, shares of such production or some other economic incentive based upon such production. Evidence of tenancy, if requested, shall be provided to the department and may include, but is not limited to, Natural Resource Conservation Service records, Farm Service Agency records, or written agricultural contract or lease documentation. Land must be in the unit applying.

Members of the immediate family who are domiciled with a resident landowner or tenant may apply for a resident big game permit as a landowner or as a tenant, but at least 80 acres must be owned by such landowner or operated by such tenant for each individual applying as a landowner or as a tenant.

NONRESIDENT LANDOWNER

Any nonresident who owns 80 acres or more of Kansas farm or ranch land.

NONRESIDENT

Anyone who doesn’t qualify in the definitions above.

YOUTH

All resident youth 17 and younger qualify for elk permits at a reduced price. Resident youth 15 and younger do not need a hunting license.

ELK MANAGEMENT UNITS

No permits valid in Unit 1.

PERMIT DESCRIPTIONS

ELK EITHER SEX (Any Elk)

Bag limit: One (1) bull, spike, cow, or calf elk

Unlimited resident and landowner/tenant Either-sex Elk permits authorized for Units 2 and 3 are available online and over-the-counter through March 15, 2024. Unlimited Hunt-own-land Either-sex Elk permits authorized for Units 2 and 3 are available online and over-the-counter through March 15, 2024. A limited number of Either-sex Elk permits authorized for Units 2A (Pt. Riley), 2 and 3 are available through lottery draw by online application; application period, May 9–June 9, 2023. Either-sex Elk permits are valid during any elk season with equipment legal for that season.

ELK ANTLELESS ONLY

Bag limit: One (1) Elk without a visible antler protruding from skull

Unlimited resident and landowner/tenant Antlerless-only Elk permits authorized for Units 3 are available online and over the counter through March 15, 2024. An unlimited number of Hunt-own-land Antlerless-only Elk permits authorized for Units 2A (Pt. Riley), 2 and 3 are available through lottery draw by online application; application period, May 9–June 9, 2023. Unit 2A Antlerless-only Elk permits are valid for the season segment printed on the permit; one-third of the permits are valid in the first segment (Oct. 1–31, 2023); one-third are valid in the second segment (Nov. 1–30, 2023); and one third are valid in the third segment (Dec. 1–31, 2023). All limited-quota Antlerless-only Elk permits authorized for Unit 2A are valid during the Sept. 1–30, 2023, archery and muzzleloader seasons.

OTHER PERMITS

FORT RILEY ACCESS PERMIT

All hunters, regardless of age, must be NRA-certified or have verification of completing an approved hunter education course prior to purchasing a Fort Riley Access permit for the purpose of hunting on Fort Riley. Fort Riley Access permits may be purchased online at www.fortri ley.sportman.com for $27.50. For more information about access permits, contact Fort Riley by phone at (785) 239-6211. Fort Riley military reservation or portions of it may be closed at any time, without prior notice, due to military activities. The military reservation has precedence over any announced hunting seasons.

DISABILITY ASSISTANCE PERMIT

A Kansas hunting license is required (unless exempt by Kansas law) to herd or drive big game for a permit holder. Any person with a permanent physical or visual disability that prevents the person's ability to hunt safely, as certified by a physician, may be eligible to obtain a permit to designate someone else to take a legal limit of game for the permit holder. For more information or application, call (620) 672-5911.

DUPLICATE PERMITS

In the event of loss or theft, a duplicate big game permit may be obtained from any department office or license agent, for the fee of $2.50. If you harvest any big game that is not edible, a duplicate permit will not be issued.

LEGAL EQUIPMENT

ARCHERY

Compound bows, recurve bows, compound bows, and crossbows. No bow, crossbow or arrow may have any electronic device attached that controls the flight of the arrow. Devices that may be attached to a bow or arrow shall include lighted pin, dot or holographic sight; illuminated nocks; rangefinders; film or video cameras; and radio-frequency location devices. Arrows used for hunting big game and turkeys must be equipped with broadhead points that cannot pass through a ring 3/4-inch in diameter when fully expanded. Non-broadhead arrows may be in possession while hunting but may not be used to take or attempt to take big game animals. Devices capable of dispensing lethal, debilitating or immobilizing chemicals may not be used to take big game animals. Handguns may be possessed during big game archery seasons but may not be used to take big game.

FIREARMS

Centerfire rifles and handguns that are not fully automatic, while using only tumble-upon-impact, hard-cast solid lead, soft point, hollow point, or other expanding bullets; shotguns using only slugs.

MUZZLELOADERS

Muzzleloading rifles or muskets that can be loaded only through the front of the firing chamber with separate components and that fire a bullet of .40 inches diameter or larger. Only tumble-upon-impact, hard-cast lead, conical lead, sabot bullets may be used with muzzleloading rifles, pistols and muskets. Handguns may be possessed during big game muzzleloader only seasons but may not be used to take big game unless they are in a muzzleloading handgun.

Range-finding devices and optical scopes or sights that project no visible light toward the target and do not electronically amplify visible or infrared light may be used with any equipment.
