

115-7-10. Fishing; special provisions. (a) A person who takes any fish from a body of water shall not tag, mark, brand, clip any fin of, mutilate, or otherwise disfigure any fish in a manner that would prevent species identification, examination of fins, recovery of tags, or determination of sex, age, or length of the fish before releasing the fish back into the body of water, unless a permit authorizing this activity has been issued to that person by the department.

(b) No person may possess any live fish upon departure from any designated aquatic nuisance body of water, except during a department-permitted fishing tournament. During a department-permitted fishing tournament, any individual may possess live fish upon departure from designated aquatic nuisance waters along the most direct route to the weigh-in site if the individual possesses a department authorization certificate as a participant in the tournament. Designated aquatic nuisance species waters shall be those specified in the department's "Kansas aquatic nuisance species designated waters," dated ~~July 19~~ August 4, 2019 ~~2020~~, which is hereby adopted by reference.

(c) No person may fish or collect bait within, from, or over a fish passage, fish ladder, fish steps, or fishway. "Fish passage, fish ladder, fish steps, or fishway" shall mean a structure that facilitates the natural migration of fish upstream on, through, or around an artificial barrier or dam. (Authorized by and implementing K.S.A. 2018 2019 Supp. 32-807; effective Nov. 20, 2009; amended Jan. 1, 2012; amended Jan. 1, 2013; amended Nov. 15, 2013; amended Nov. 14, 2014; amended Nov. 30, 2015; amended Nov. 28, 2016; amended Dec. 22, 2017; amended Jan. 11, 2019; amended Dec. 20, 2019; amended P-_____.)

Agency Contact

785-296-1032

Contact Phone Number

K.A.R. 115-7-10

K.A.R. Number(s)

Submit a hard copy of the proposed rule(s) and regulation(s) and any external documents that the proposed rule(s) and regulation(s) would adopt, along with the following to:

Division of the Budget
900 SW Jackson, Room 504-N
Topeka, KS 66612

I. Brief description of the proposed rule(s) and regulation(s).

This proposed amendments to the regulation would update the list of known properties with aquatic nuisance species through adoption of a reference document.

II. Statement by the agency if the rule(s) and regulation(s) is mandated by the federal government and a statement if approach chosen to address the policy issue is different from that utilized by agencies of contiguous states or the federal government. *(If the approach is different, then include a statement of why the Kansas rule and regulation proposed is different)*

This is not a federal mandate. Missouri, Oklahoma, Nebraska and Colorado all have varying regulations dealing with the movement of invasive species.

III. Agency analysis specifically addressing following:

A. The extent to which the rule(s) and regulation(s) will enhance or restrict business activities and growth;

The proposed amendments will not enhance or restrict business activities or growth.

B. The economic effect, including a detailed quantification of implementation and compliance costs, on the specific businesses, sectors, public utility ratepayers, individuals, and local governments that would be affected by the proposed rule and regulation and on the state economy as a whole;

The proposed amendments will have no economic effect on any sector.

C. Businesses that would be directly affected by the proposed rule and regulation;

None.

D. Benefits of the proposed rule(s) and regulation(s) compared to the costs;

Introducing invasive species has significant cost management implications. To allow transportation of invasive species from known vectors is ill advised at best. The regulation is designed to protect water bodies.

DIVISION OF THE BUDGET

- E. Measures taken by the agency to minimize the cost and impact of the proposed rule(s) and regulation(s) on business and economic development within the State of Kansas, local government, and individuals;**

There are no costs associated with this proposal.

- F. An estimate, expressed as a total dollar figure, of the total annual implementation and compliance costs that are reasonably expected to be incurred by or passed along to business, local governments, or members of the public.**

There are no implementation or compliance costs with this proposal. Fish can still be removed from lakes, just not live or using local water.

An estimate, expressed as a total dollar figure, of the total implementation and compliance costs that are reasonably expected to be incurred by or passed along to business, local governments, or members of the public.

There are no implementation or compliance costs with this proposal. Fish can still be removed from lakes, just not live or using local water.

Do the above total implementation and compliance costs exceed \$3.0 million over any two-year period?

YES ☐ NO ☒

Give a detailed statement of the data and methodology used in estimating the above cost estimate.

There are no implementation or compliance costs with this proposal.

Prior to the submission or resubmission of the proposed rule(s) and regulation(s), did the agency hold a public hearing if the total implementation and compliance costs exceed \$3.0 million over any two-year period to find that the estimated costs have been accurately determined and are necessary for achieving legislative intent? If applicable, document when the public hearing was held, those in attendance, and any pertinent information from the hearing.

YES ☐ NO ☒

The agency held a public hearing on this regulation on June 25 via teleconference, where 26 members of the public attended. The agency will also hold hearings on August 20 via teleconference, September 25 in Topeka, and November 19 in Oakley.

- G. If the proposed rule(s) and regulation(s) increases or decreases revenues of cities, counties or school districts, or imposes functions or responsibilities on cities, counties or school districts that will increase expenditures or fiscal liability, describe how the state agency consulted with the League of Kansas Municipalities, Kansas Association of Counties, and/or the Kansas Association of School Boards.**

Not applicable.

- H. Describe how the agency consulted and solicited information from businesses, associations, local governments, state agencies, or institutions and members of the public that may be affected by the proposed rule(s) and regulation(s).**

News releases to every newspaper in the state, discussion at prior public hearings and meetings which are broadcast online, publication in the Kansas Register and publication on the Department's website.

- I. For environmental rule(s) and regulation(s) describe the costs that would likely accrue if the proposed rule(s) and regulation(s) are not adopted, as well as the persons would bear the costs and would be affected by the failure to adopt the rule(s) and regulation(s).**

Not applicable.

Kansas Aquatic Nuisance Species Designated Waters

August 4, 2020

It is illegal to transport live fish from Aquatic Nuisance Species (ANS) Designated Waters. To help prevent the spread of aquatic hitchhikers from these and other waters, always follow Clean – Drain – Dry procedures, do not move fish between waters or upstream, and remove plants and debris from equipment before leaving a water area.
