

115-4-4a. Wild turkey; legal equipment and taking methods. (a) Hunting equipment for the taking of wild turkey during a wild turkey archery season shall consist of the following:

(1) Archery equipment.

(A) No bow or arrow shall have any electronic device attached to the bow or arrow that controls the flight of the arrow. Devices that may be attached to a bow or arrow shall include lighted pin, dot, or holographic sights; illuminated nocks; rangefinders; film or video cameras; and radio-frequency location devices.

(B) Each arrow used for hunting shall be equipped with a broadhead point incapable of passing through a ring with a diameter of three-quarters of an inch when fully expanded. A wild turkey hunter using archery equipment may possess non-broadhead-tipped arrows while hunting if the arrows are not used to take or attempt to take wild turkeys.

(2) Crossbows using arrows that are equipped with broadhead points incapable of passing through a ring with a diameter of three-quarters of an inch when fully expanded. A wild turkey hunter using crossbow equipment may possess non-broadhead-tipped arrows while hunting if the arrows are not used to take or attempt to take wild turkeys.

No crossbow or arrow shall have any electronic device attached to the crossbow or arrow that controls the flight of the arrow. Devices that may be attached to a crossbow or arrow shall include lighted pin, dot, or holographic sights; illuminated nocks; rangefinders; film or video cameras; and radio-frequency location devices.

(b) Hunting equipment for the taking of wild turkey during a wild turkey firearm season shall consist of the following:

Submit a hard copy of the proposed rule(s) and regulation(s) and any external documents that the proposed rule(s) and regulation(s) would adopt, along with the following to:

Division of the Budget
900 SW Jackson, Room 504-N
Topeka, KS 66612

I. Brief description of the proposed rule(s) and regulation(s).

The regulation sets legal equipment for hunting turkeys. The proposed amendments to the regulation would allow the use of qualified handguns to hunt turkeys.

II. Statement by the agency if the rule(s) and regulation(s) is mandated by the federal government and a statement if approach chosen to address the policy issue is different from that utilized by agencies of contiguous states or the federal government. (If the approach is different, then include a statement of why the Kansas rule and regulation proposed is different)

This is not a federal mandate. Missouri, Oklahoma, Nebraska and Colorado all have varying regulations dealing with legal equipment for hunting turkeys.

III. Agency analysis specifically addressing following:

A. The extent to which the rule(s) and regulation(s) will enhance or restrict business activities and growth;

The proposed amendments will not enhance or restrict business activities or growth.

B. The economic effect, including a detailed quantification of implementation and compliance costs, on the specific businesses, sectors, public utility ratepayers, individuals, and local governments that would be affected by the proposed rule and regulation and on the state economy as a whole;

The proposed amendments will have no economic effect on any sector.

C. Businesses that would be directly affected by the proposed rule and regulation;

None.

D. Benefits of the proposed rule(s) and regulation(s) compared to the costs;

The proposed amendments would allow an additional method to hunting turkeys. There are no costs associated with the proposal.

- E. Measures taken by the agency to minimize the cost and impact of the proposed rule(s) and regulation(s) on business and economic development within the State of Kansas, local government, and individuals;**

There are no costs associated with this proposal.

- F. An estimate, expressed as a total dollar figure, of the total annual implementation and compliance costs that are reasonably expected to be incurred by or passed along to business, local governments, or members of the public.**

There are no implementation or compliance costs associated with this proposal.

An estimate, expressed as a total dollar figure, of the total implementation and compliance costs that are reasonably expected to be incurred by or passed along to business, local governments, or members of the public.

There are no implementation or compliance costs associated with this proposal.

Do the above total implementation and compliance costs exceed \$3.0 million over any two-year period?

YES NO

Give a detailed statement of the data and methodology used in estimating the above cost estimate.

There are no implementation or compliance costs with this proposal.

Prior to the submission or resubmission of the proposed rule(s) and regulation(s), did the agency hold a public hearing if the total implementation and compliance costs exceed \$3.0 million over any two-year period to find that the estimated costs have been accurately determined and are necessary for achieving legislative intent? If applicable, document when the public hearing was held, those in attendance, and any pertinent information from the hearing.

YES NO

The agency held a public hearing on this regulation on June 17 in Wichita, where at least 9 members of the public attended and August 5 virtually, where at least 7 members of the public attended. The agency will also hold hearings on September 23 in Beloit and November 18 in Oakley.

- G. If the proposed rule(s) and regulation(s) increases or decreases revenues of cities, counties or school districts, or imposes functions or responsibilities on cities, counties or school districts that will increase expenditures or fiscal liability, describe how the state agency consulted with the League of Kansas Municipalities, Kansas Association of Counties, and/or the Kansas Association of School Boards.**

Not applicable.

- H. Describe how the agency consulted and solicited information from businesses, associations, local governments, state agencies, or institutions and members of the public that may be affected by the proposed rule(s) and regulation(s).**

News releases to every newspaper in the state, discussion at prior public hearings and meetings which are broadcast online, publication in the Kansas Register and publication on the Department's website.

- I. For environmental rule(s) and regulation(s) describe the costs that would likely accrue if the proposed rule(s) and regulation(s) are not adopted, as well as the persons would bear the costs and would be affected by the failure to adopt the rule(s) and regulation(s).**

Not applicable.
