

What qualifies as a Unconventional Vehicle?

Vehicle classes which qualify for the unconventional vehicle permit are work site utility vehicles including UTV's (Utility Terrain Vehicle) and low-speed vehicles including golf carts.

*ATV's (all-terrain vehicle), such as four-wheelers, DO NOT qualify and cannot receive one of these permits.

Properly registered, tagged and equipped mopeds qualify for purchase of a regular motor vehicle permit not the unconventional vehicle permit.

Where can I buy an Unconventional Vehicle Permit?

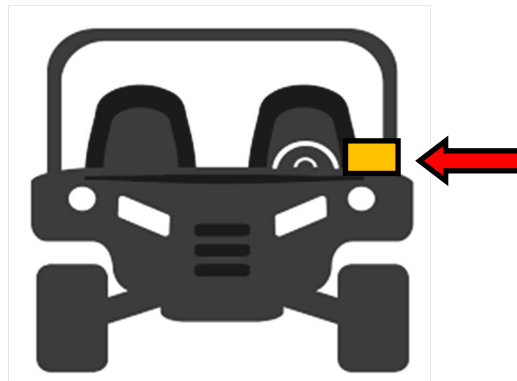

Unconventional Vehicle Permits are only sold in Kansas Department of Wildlife and Park Offices.

When is my permit valid?

Permits are valid for the calendar year in which they are purchased.

How should my permit be displayed?

Permits must be attached to the front driver's side of the vehicle for which the permit was purchased and they must be easily visible.
