*Certificates are issued for racks or horns taken in Kansas which meet minimum scores as listed on reverse side. Hunter must possess a valid permit and trophy must have been taken by legal means during the legal open season.

*Scoring must be made by a certified Pope & Young, Boone & Crockett or Kansas measurer after a 60-day waiting period. Those scoring in the Kansas top 20 must be verified by a certified P&Y or B&C measurer.

*To keep records consistent with national lists, any scores listed with Boone & Crockett or Pope and Young Club's will be included in state records.

*The chief of Information-Education retains the right to reject any applications submitted to the Dept.

*Any rack that has been altered will automatically be disqualified.
