Certificates are issued for racks or horns taken in Kansas which meet minimum scores as listed on reverse side. Hunter must possess a valid permit and trophy must have been taken by legal means during the legal open season. Scoring must be made by a certified Pope & Young, Boone & Crockett or Kansas measurer after a 60-day waiting period. Those scoring in the Kansas Top 20 must be verified by a certified Pope & Young or Boone & Crockett measurer. To keep records consistent with national lists, any scores listed with Boone & Crockett or Pope and Young Club's will be included in state records.

The Kansas Department of Wildlife, Parks and Tourism retains the right to reject any applications submitted if the above rules are violated.

Racks or horns that have been altered will automatically be disqualified.
